CHANGES TO VARIABLE INTEREST RATES FOR EXISTING INVESTMENT PURPOSE LOANS

Effective from 5 November 2015, ING DIRECT will increase the variable interest rate on existing investment loans by 0.37% p.a. Investor customers who also hold an owner occupied loan with ING DIRECT will not be subject to this interest rate increase.

ING DIRECT will write to customers in early October advising them of their new interest rate and minimum repayment amount. Please note, loan applications received from 31 July 2015 onwards will not be impacted by this increase. The current rates for new investment property borrowers are listed below.
