INTEREST RATES

Fixed rates remain unchanged from our last update. Please refer to the interest rate tables below.

GENWORTH SERVICING CALCULATOR

Genworth has provided an updated servicing calculator and underwriting policy, which will be effective for home loan applications received from 19 October 2015. The updated calculator must be completed for applications over \$1 million where LMI applies. For all applications up to \$1 million where LMI applies, the ING DIRECT servicing calculator will be accepted.

Important note: in all cases, the home loan application must meet ING DIRECT servicing guidelines.

The new calculator and policy will be available by logging in at introducer.ingdirect.com.au under 'Lenders Mortgage Insurance' from 9 October 2015.

REMINDER: PROMOTIONAL INTEREST RATE DROPS TO 3.99% P.A.

As you may have heard, we enhanced our Orange Advantage promotion, offering customers a variable interest rate of 3.99% p.a. (comparison rate 4.19% p.a.), for a limited time only.

The criteria that need to be met for this promotional rate to apply are simple:

- ✓ New residential lending with new to ING DIRECT security property (minimum loan amount is **\$50,000**)
- ✓ LVR less than or equal to 80%
- ✓ Owner occupied loan purpose
- ✓ Principal and Interest repayments.

To be eligible for the promotional interest rate, applications must be received by 31 October 2015.

Important points to note:

- To be eligible for the above promotion, loan applications must be received by ING DIRECT no later than 31 October 2015. This applies to existing pipeline applications, including pre-approvals. When an approval expires, the promotion and underwriting guidelines current at the time of re-assessment will apply.
- If the owner occupied component is switched to Interest Only following settlement, the abovementioned promotional interest rate will not apply.
