

Residential Update.

Please be advised that ING has temporarily removed the option to apply for an Orange One credit card as part of the home loan application process.

ING will be implementing a number of changes to the Orange One credit card. As such, ING has suspended new Orange One applications as part of the home loan effective immediately.

As such we ask that you do not submit any further requests for the Orange One credit card as part of a home loan application until further notice.

We will provide an update on any changes, including when we will resume processing Orange One applications as part of home loan applications. Please note all other aspects of the home loan application process will remain unchanged.
