

## Commercial Update

23 June 2016

### **STREAMLINING THE LAND TAX CERTIFICATE PROCESS FOR COMMERCIAL LOANS**

Thanks to your feedback, our Land Tax Certificate process for refinances has improved to save you and your customer time. As part of the new process, ING DIRECT panel solicitors will now order the search for the Land Tax Certificate at the time we instruct them.

Previously, the search was left to your customer to organise, which often delayed the process by up to five days.

This is just another example of how we have streamlined the number of requirements for our commercial loan documentation process.

### **INDICATIVE PRIORITY COMMERCIAL MORTGAGE INTEREST RATES**

Rates are indicative only and subject to change without notice. Indicative interest rates are also available on the [Introducer website](#). Commercial fixed rates may change daily. The fixed rate that will apply will be the fixed rate applicable on the settlement date unless you rate lock. Information about rate lock can be found on the [Introducer website](#).

**For the curious:** Information is current as at the above date and is subject to change. ING DIRECT will consider applications above \$5.0 million on a case-by-case basis. The interest rate on these applications will be determined through your Business Development Manager. The above interest rates apply to Priority Commercial Mortgages for new business. Rates are reviewed and may change at any time without prior notice. The interest rate will be set on the settlement date for all loans, including fixed rate loans. All interest rates quoted above are indicative only. The comparison rates are based on a loan amount of \$150,000 over a loan term of 25 years. **WARNING:** The comparison rates are true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in different comparison rates. All applications for credit are subject to ING DIRECT's credit approval criteria. **WARNING:** If you have a Fixed Rate Loan you may be charged break costs if, before the expiry of the fixed interest period: (a) you make an additional payment of \$20,000 or more, or make additional payments totalling \$20,000 or more in any one-year period (with the first one-year period starting on the first day of the fixed interest period); or (b) you pay out that fixed rate loan or an amount becomes due and payable; or (c) we agree to change your loan type or fixed interest period that applies to your loan. Break costs could be substantial if interest rates fall during the fixed interest period. You should take break costs into consideration when deciding whether you want to fix your interest rate.
