Many reasons to consider ING DIRECT for Commercial loans

Commercial loans without mandatory transactional banking

Did you know that ING DIRECT does not require commercial investors or SMEs to have transactional banking with us in order to borrow from us? This reduces the hurdles your customer faces when funding the purchase of a commercial property or financing a business. It also allows you to maintain the key relationship with your customers.

Interest Only Repayments up to 75% LVR

Our commercial loans allow your customers to borrow up to a maximum LVR of 75% on an interest only basis in metropolitan areas and 70% in regional areas.

Commercial Loans up to \$5 million

You can apply for an ING DIRECT commercial mortgage for up to \$5 million. With low entry costs, no ongoing fees, and competitive interest rates, an ING DIRECT commercial mortgage could be a great choice for your customers.

Need assistance with submissions, workshopping deals or a written response to a scenario?

Have you received support from our commercial credit specialist team before or utilised our Commercial Discussion paper process? Our credit specialists are here to support you with more challenging submissions and to workshop deals.

We can also assist with our Commercial Discussion Paper 'expression of interest request' for new loans. This can speed up the application process as our credit team will respond to you within just 48 hours and ensure you have a smooth credit experience.
