## Experience & Process Improvements

Earlier this year we introduced a new Application for Company/Trust borrowers form tailored to company/trust borrowers. We are pleased to inform you that we have now completed a redesign of the remaining commercial forms:

1. Application form for Individual borrowers
2. Director Guarantor Waiver form
3. Identification form

The redesigned Application form for Individual borrowers covers commercial loans to individual borrowers and/or for loans that may be regulated by the National Credit Code. With this in mind, the application form has been simplified with all requirements relating to the National Credit Code now captured in one section. We have also taken the opportunity to amalgamate the *Distribution of Loan Documents forms*.

Our suite of Commercial forms are now available on the introducer site and are located under Commercial loans>Forms.
