

Commercial Update.

ING Commercial Serviceability Calculator

ING regularly reviews the ING Living Expense Benchmark used in establishing the serviceability of an application. This most recent review has resulted in an increase to the Benchmark and therefore a need to update the ING Commercial Serviceability Calculator.

The new calculator must be used for commercial loan applications received from Tuesday, 8 October 2019. The new calculator is now available on the secured section of our introducer website.

Changes to Commercial Loan Company and Trust Application form

We've made some changes to our Company and Trust Application form.

The updated Company and Trust Application form is now available on the [introducer site](#) under 'Commercial Loans'.
